THE
"BELLE OF THE BALL."

Would not have been
half so charming if
she had not been
wise as well as
"pretty."
The reason is easy
to find: Rare Per-
fumes lend added
charm to beauty and
the above young lady
was posted. Backed
up her judgment,
too, by supplying her
"perfume wants" at
the right place;

PUTNAM STREET DRUG STORE.

The "Belles" all
know our stock of
"society odors" is
most complete.
One thing is cer-
tain—you may forget
us, but the remem-
brance of our DELI-
CATE, RARE and LAST-
ING perfumes will
linger longer with
you than the mem-
ory of the "last rose
of summer."

size has been heard in that city since
the McKinley pilgrimage began.

—Go to the Bee Hive for underwear,
hosiery, gloves and mittens.

—The Parkersburg Sentinel says of
the Stone-Wilcox wedding: "Miss
Wilcox was the handsome and ac-
complished daughter of Mr. Thomas
Wilcox, the well known liveryman
of Belpre, and has many friends among
the young people of the community.
Mr. Stone is well known as the pilot
on the ferry boat Nina Paden and has
hosts of friends in both this city and
Belpre."

—Messrs. A. E. Campbell and Jack
McTaggart, of Parkersburg, were in
the city last night.

—Up to nine o'clock last night over
500 tickets for the Canton excursion
had been sold to Marietta people and
as we go to press the indications point
to a crowd of at least 1200. One of the

Harmar Congregational church, 26

cancelled the game which was to have
been played with Marietta Saturday.
This is the third or fourth time that
Dennison has kicked out of games with
Marietta for no other reason than that
they lack the grit to meet a good team.
Marietta will endeavor to arrange a
game with Muskingum College, to be
played here next Monday.

the guest of Mrs. Reppert, Scott's

Culbertson, of Waverly, were married
by Rev. G. E. Moore.

—Last Friday a boiler at a saw mill
on Lloyd Lovett's farm near Harriets-
ville exploded, blowing the fireman,
Simeon Springer, about twenty feet
away. He was blown onto a pile of
lumber and sustained injuries about
the head and body. The cause of the
explosion is attributed to a low gauge

cold water. Mr. Springer died Sunday

A man named Pugh, residing about
three miles back from Hannibal, is suf-
fering from the terrible disease, froth-
ing at the mouth and frequently bark-
ing like a dog. The case is a very re-
markable one. Twelve years ago he
was bitten on the leg by a dog, but it
was thought that all danger from hy-
drophobia had long ago passed away.

A few weeks ago he had an attack of
typhoid fever, from which he seemed
to recover all right. Last week, how-

themselves. In the same house resides

Norman Clogston.

Death—let it come when it will,
carries in its trail sorrow and regret,
but when, with scarcely a warning,
a dearly loved child is snatched from
the home what heart can understand
the anguish save those who have passed
through a like trial.

Little Norman, eldest child of Frank
and Alice Clogston, died early Tuesday
morning, October 20th. The little
fellow had not been well for some time,
and after a short struggle for life, God
took back his own, only lent for a few
short years to earth, a gleam of sun-
shine on all about him. Norman was
an unusually bright boy, though not
yet six months in school, and when
obliged to leave on account of illness
mourned for his little schoolmates and
could not be comforted.

We laid him to rest with a smile on his face,
And we know with the angels he has a place.
What is our loss is heaven's gain.
Would we call him back to sorrow and pain?

Condensed Testimony.

Chas. B. Hood, Broker and Manu-
facturer's Agent, Columbus, Ohio, cer-
tifies that Dr. King's New Discovery
has no equal as a Cough remedy. J.
D. Brown, Prop. St. James Hotel, Ft.
Wayne, Ind., testifies that he was cured
of a Cough of two years standing,
caused by La Grippe, by Dr. King's
New Discovery. R. F. Merrill, Bald-
winsville, Mass., says that he has used
and recommended it and never knew it
to fail and would rather have it than
any doctor, because it always cures.
Mrs. Hemming, 232 E. 25th St., Chicago,
always keeps it at hand and has no
fear of Croup, because it instantly re-
lieves. Free Trial Bottles at W. H.

disorders of the organs directly feminine
so that bearing children would be dan-
gerous to them, and unfair to the children.
Every child deserves the heritage of
health. The children cannot receive this
from a sickly mother. There is no rea-
son why they should have such a thing
as "female weakness." It is as unneces-
sary as it is distressing. Dr. Pierce's
Favorite Prescription cures all forms of
distinctly feminine sickness. It purifies,
strengthens and invigorates. It is pre-
pared for just this one purpose and no
other. It's the only medicine now before
the public for woman's peculiar ailments,
adapted to her delicate organization by
a regularly graduated physician, an ex-
perienced and skilled specialist in these
maladies. It cannot do harm in any con-
dition of the system. Its sales exceed
the combined sales of all other medicines
for women.

Every woman ought to send 21 one-cent stamps
to pay for mailing a free copy of Dr. Pierce's
thousand page "Medical Adviser," World's Dis-
tinctive Medical Association, Buffalo, N. Y.
